NOTICE TO CONTRIBUTORS

1. The manuscript of each paper for publication in this journal should be typed on one side of the paper and should be accompanied by a short abstract.
2. All the references to the published papers should be numbered serially and given at the end of the paper.
3. Diagram should be drawn on thick white paper in Indian ink. Tables should be typed on separate sheets.
4. The papers to be published in the journal should be original on theoretical physics or on experimental physics with theoretical background.
5. Avoid mathematical steps as far as possible. All mathematical expressions, should be typed as far as possible, with unavailable symbols inserted neatly in ink. Be sure to distinguish between capital and small letters. Avoid complicated superscript and subscripts. Avoid repetition of a complicated expression by representing it by a symbol.
6. Letters to the Editor, Review articles and Booklets on recent topics will also be published.
7. Fifty copies of reprints of each paper, except review articles and booklets are given free of cost to the contributor.

All communications to The Secretary, Institute of Theoretical Physics, Bignan Kutir, 4/1, Mohan Bagan Lane, Calcutta-4.
